

# Anatomy of a Floating.point cover

Artwork can wrap around to the back cover, which is the same size. The spine width is 0.11". The rest of this document is a PDF template.

**Any questions?  
handshake@floatingpoint.pub**

**There will be text and other  
blurbs here.**

**If you've already discussed  
wrapping your art onto the  
back with us, go wild.  
Otherwise, your art may be  
covered up here.**

**Barcode  
Location & Size  
2" X 1.2"**

**WE'LL HANDLE PUTTING TEXT HERE, BUT TRY NOT TO PUT TOO MUCH DETAIL HERE**
